

COOK COUNTY SHERIFF'S OFFICE

SUMMER FELLOWSHIP PROGRAM

The Cook County Sheriff's Fellowship Program is selecting young leaders for an experiential program in public policy. Fellows will coordinate with members of the Sheriff's Office and expert professors to push the boundaries of policy and change the world.

The CCSO's 10-week Summer Fellowship Program gives practical experience in research, analytics, and policy to students who are passionate about Criminal Justice, Anti-violence Initiatives, Housing, Homelessness, Poverty, Green Initiatives, and Municipal Economics.

Fellows will be partnered with subject matter experts and participate in the implementation of real-time change initiatives and real-world quantitative and qualitative research efforts.

The Cook County Sheriff's Office is a nationally recognized leader in providing innovative programs in the fields of law enforcement and corrections and seeks constantly to infuse these fields with strong social principles.

Beginning in the fall, Sheriff Tom Dart will visit the fellows' schools to present the Office's work and that of the fellow.

Fellows will earn a living wage.
